

Poly-Char 2026
(Smart, Sustainable & Data-Driven Polymeric Materials:
From Molecular Design to Circular Applications)
November 22-25, 2026 @Chiang Mai, Thailand

Keynote Speakers

Bin Zhang

Zhengzhou University, China

Bin Zhang, born in 1979, is a professor and doctoral supervisor at the School of Materials Science and Engineering, Zhengzhou University. He graduated with a bachelor's degree in Computer Information Management from Zhengzhou University in 2004, a master's degree in Materials Processing Engineering in 2010, and a Ph.D. in Chemistry from the University of Freiburg, Germany, in 2014. Dr. Zhang joined Zhengzhou University in 2015 and was appointed as a Distinguished Professor in 2020. His research focuses on the crystallization of polymer films, physical issues in polymer molding and processing, and the microscopic mechanisms of phase transitions in polymers. He has led four projects funded by the National Natural Science Foundation of China.
