Keynote Speakers

Xiao Hu

Nanyang Technological University, Singapore

Xiao Hu obtained his PhD at the University of Manchester in the UK. He joined Nanyang Technological University in Singapore in 1992 as a founding member of the School of Materials Science and Engineering. He served as the President of the Pacific Polymer Federation (2018 and 2019) and the President of the Federation of Asian Polymer Societies (2025 and 2026). He is an editor for Polymer (Elsevier) and an associate editor for Advanced Composite and Hybrid Materials (Springer Nature).
