Keynote Speakers

Pitt Supaphol

Chulalongkorn University, Thailand

Pitt Supaphol is a Professor of Polymer Engineering at The Petroleum and Petrochemical College, Chulalongkorn University, Bangkok, Thailand. He received his M.S. (1996) and Ph.D. (1999) in Polymer Engineering from The University of Tennessee, Knoxville, USA. He directs the Center of Excellence on Herbal Extracts-Infused Advanced Wound Dressing, and his research spans electrospun nanofibers, wound dressings, controlled drug delivery, functional membranes and sustainable packaging. He has 303 Scopus-indexed documents, 17,641 citations by 13,756 documents and an h-index of 74 (Scopus, October 2026). His honors include the Stanford University list of the World's Top 2% Most-Cited Scientists (2020–2026), the Research.com Materials Science in Thailand Leader Award (2020–2026) and the National Outstanding Researcher Award of the National Research Council of Thailand (2009). In 2026, he published the six single-author papers that build the release framework presented in this keynote.
